How to Evaluate a Job Offer

→ **Swipe to discover**

**62% of workers wish they had
negotiated or asked more questions
before accepting**

**Benefits can add \$15,000–\$30,000 in
hidden value on top of your base
salary**

→ Continue

**A 45-min daily commute costs you
nearly 10 full work weeks per year**

→ Continue

**A 401(k) match of 4% is worth
~\$3,600/yr on a \$90K salary — free
money most skip**

**The factor most likely to make you
quit isn't salary — it's this**

→ Continue
